Memo No.- 289-E-in-C(OSD)/2016

Date: 27-04-2016

MEMORANDUM

Sub.: Constitution of Technical Committee for imposing traffic restrictions on bridges; flyovers; culverts, etc.

1. It has been found that at different times various bridges, flyovers and culverts are closed for traffic movement due to minor distress without a proper scrutiny/examination of distressed condition.
2. It has been decided to constitute a Technical Committee which would decide about traffic restrictions on any structure like bridge/flyover/ROB/culvert, etc. after a thorough inspection of the structure. The constitution of the Committee would be as follows:
 - (i) Chief Engineer, Planning, P.W. (Roads) Dte. Chairman
 - (ii) Superintending Engineer, Concerned Design Wing of P.W. Dte., P.W. (Roads) Dte. including NH Wing Member
 - (iii) Superintending Engineer, Concerned Construction Wing of P.W. Dte., P.W. (Roads) Dte. including NH Wing Member-Convener
 - (iv) Executive Engineer, Concerned Design Wing of P.W. Dte., P.W. (Roads) Dte. including NH Wing Member
 - (v) Executive Engineer, Concerned Construction Wing of P.W. Dte., P.W. (Roads) Dte. including NH Wing Member
3. The Executive Engineer of Construction Wing of P.W. Dte. / P.W.(Roads) Dte. would be the nodal officer and he would request an inspection of the structure by the Technical Committee through Zonal Chief Engineers. Chief Engineer(HQ) of the concerned Directorate and Engineer-in-Chief would be kept informed.
4. Technical Committee would inspect the bridge and give its detailed findings to the concerned Executive Engineer, Construction Wing, with copy to Zonal Chief Engineers/Chief Engineer(HQ)/ Engineer-in-Chief for further follow-up action.
5. Executive Engineer, Construction Division would be responsible for implementation of the findings of the Technical Committee.

This procedure for traffic restriction on structures would come into effect immediately.
